PROFESSIONAL EXPERIENCE & ACCOMPLISHMENTS

Kinco – Portland, OR **08/2021 - 01/2026**
Designer

- Headed all photo and video editing processes, including in-house photoshoots and post-production enhancements to support marketing and ecommerce objectives.
- Created and managed both digital and print designs across packaging, labels, promotional materials, and social media assets aligned with consistent brand standards.
- Collaborated cross-functionally with departments to develop consumer-facing materials that elevated product visibility and contributed to compelling marketing campaigns.
- Oversaw production workflows and ensured accurate prepress formatting while liaising directly with vendors to maintain quality and delivery across marketing prints.
- Spearheaded creative visual projects that increased brand awareness and digital engagement with a focus on innovative design for web and social platforms.

Red Bull – Portland, OR **04/2021 - 10/2021**
Contract Artist

- Developed large-scale illustrations and campaign visuals rooted in Red Bull's global identity for brand marketing initiatives and promotional releases.
- Partnered with marketing and events teams to deliver original assets for digital campaigns, social media channels, and consumer experiences.
- Delivered high-quality creative outputs within accelerated deadlines, driving the visual impact of campaigns at both regional and national levels.

Velocity – Portland, OR **04/2019 - 03/2020**
Lead Graphic Designer

- Led a team of junior designers to concept and execute wide-ranging digital, print, and branding materials for clients across hospitality, retail, and technology sectors.
- Maintained creative oversight from ideation through production, managing both digital and traditional deliverables that reflected contemporary design trends.
- Engaged directly with clients to define brand direction, present design strategies, and ensure cohesion across marketing and visual identity assets.

PROFESSIONAL EXPERIENCE & ACCOMPLISHMENTS CONTINUED

Fast Signs – Fairfield, CT **02/2017 - 07/2018**
Print Designer

- Designed customized visual solutions for signs, banners, and promotional displays that supported clients' branding strategies across diverse business sectors.
- Interfaced with clients to develop visually impactful graphics suited to specific marketing objectives and business goals.
- Managed quality assurance for final outputs while streamlining vendor coordination and production workflows to meet tight delivery timelines.

Checkmate Creations – New Haven, CT **05/2015 - 11/2016**
Junior Graphic Designer

- Assisted senior team members on branding and digital media projects, including logo development, marketing collateral, and website assets for small- and mid-sized clients.
- Incorporated client feedback and iteration processes to refine visual materials and maintain alignment with client brand guidelines.
- Organized and managed a digital asset library, improving internal team workflow and reducing production lag time across multiple client accounts.
